## ABOUT US

Urban Era Interiors, a pioneering venture in the realm of interior design, emerges as a dedicated unit under the Banyan Group with over fifteen years of expertise in real estate, construction, interior design, and project management. Founded to lead the way in creating timeless and innovative interior spaces, our journey signifies a commitment to excellence and a fusion of seasoned guidance and fresh vision.

## **VISION**

UrbanEra Interiors' mission is to craft unique havens for each client, capturing their exact desires. Our designs enhance your home's value—they don't cost, they earn. We see every project as both an opportunity and a commitment to our clients.

We imagine a world where every space is a masterpiece, mirroring its inhabitants' personalities and aspirations. Our aim is to craft environments that are not only visually striking but also elevate quality of life.

## **MISSION**

We see interior design as more than aesthetics—it's about understanding our clients' unique needs. Our process starts with thorough consultations to capture your vision and lifestyle. We combine creativity with functionality to ensure every element serves a purpose.

## OUR APPROACH

# OUR PROFESSIONAL TEAM

## Diwakar Pandian

Architect | Interior Designer | Urban Enthusiast

A seasoned Architect and Interior Designer, he graduated with a Bachelor's degree in Architecture - BArch, Architecture from RVS Padmavathy School of Architecture in 2018. Known as a dot connector, he has thrived in multicultural settings. His design ethos revolves around a strong methodology, with a special emphasis on preserving both tangible and intangible urban heritages. Drawing from his experiences at HomeLane, Dreamspaze, and Eccentric Design Studio, he gained valuable insights. Prior to this, he honed his skills as an architectural intern at Peoples Architecture Commonweal & ED+ Architecture.
